## President's Message *by Larry Mensch*

Happy New Year to Everyone

We are looking forward to a great year of golf. The tournament schedule is already set. You can mark your calendar now, so you won't miss any of this year's events.

Also add to your schedule the CLAPPS Beautification tournament on April 26, 2025. The course was re-routed this year and new tee plaques were installed. The previous brass tee plaques will be auctioned off at the Beautification Tournament.

Of course, we have our Wednesday Play. Thanks to Chuck Newsom for putting all the games together and to Vern Kelch for collecting and distributing the prize money.

Ted Smykla and Chris Poland are leaving the Board this year. Thank you for all the time and effort you put in over the past years. You are really appreciated

Now to our new Board. There are a few changes. Vern Kelch, who did a great job as Past President, is staying on as Wednesday Play Director. We want to thank Jesse Beecher for his great job as last year's Tournament Director. He is staying on the board as the Green Committee Representative. Billy Furlong will be our new Secretary, Jon Keigwin will be our new Handicap Director. Chris Kuminkoski is our new Major Tournament director. He and his committee are already putting together the tournaments for the year. I promise it will be a great tournament year.

Now that we are all set for the new year, the only thing left to do is perfect your golf swing.

## President's Message

By  
Kathy Homewood

May this first message of 2025 find all of you in good spirits and good health. Happy New Year to you all and may you be blessed throughout 2025.

I feel honored to represent the CLWGC for a second term during this forthcoming year. I want to extend my congratulations to the newly installed officers. I'm excited to have these two new board members join us – CC Collier, Membership Chair and Elaine Kenniston, Recording Secretary. I welcome back Darlene Cortez, as our new Rules Chair and Kathy Voss, our new Major Tournament Chair. Everyone's commitment to serving and promoting our club is truly commendable.

As we enter January, we have two events on the calendar where volunteers are needed. Both are on the same day, Monday the 13<sup>th</sup>. We have six ladies ready to assist the Red Cross Blood Bank with welcoming donors and entering them into the system. Also, the Tuesday Work Group has invited us to attend their Fill the Divots Day event starting at 9:00 with coffee and donuts. Your participation would be greatly appreciated.

On behalf of our entire club, I wish you a successful year on and off the course. May your drives be long, your putts be accurate, and your love for the game continue to inspire us all.

Happy New Year,  
Kathy

Mark Louder, a dedicated and innovative golf course superintendent, has been honored as the Superintendent of the Year by the Southern California Chapter of the Golf Course Superintendents Association. This prestigious award is a testament to his unwavering commitment to excellence in turf management, sustainability, and leadership in the industry.

Mark earned his degree in Turf Management from Cal Poly Pomona, where he laid the foundation for his career with a deep understanding of sustainable landscape and turf practices. For the past 15 years, he has served as the superintendent at Canyon Lake Country Club, bringing expertise and creativity to the course and its community. Under his stewardship, Canyon Lake has thrived, thanks in part to his strategic oversight of an 18-acre turf conversion to drought-tolerant landscaping, as well as a complete irrigation system renovation—a forward-thinking initiative that has significantly reduced water usage and helped the club lead in sustainable practices.

Beyond his achievements on the course, Mark is known for his dedication to mentoring the next generation of superintendents. Many of his assistant superintendents have grown under his guidance to become superintendents themselves, contributing to his legacy as a teacher and leader in the golf course industry.

In recent years, Mark took on additional responsibilities as a Senior Superintendent for Southern California with BrightView, assisting courses with equipment needs and operational support. His expertise was instrumental in BrightView's successful acquisition of two new courses, further solidifying his role as an essential contributor to the company's growth and success.

Mark's impact on the golf course community, his leadership in water conservation, and his dedication to mentoring have made him a standout figure in the Southern California golf industry. His award as Superintendent of the Year is a fitting recognition of his hard work, expertise, and commitment to advancing the field.

**Instructions for determining the Most Improved Golfer**

Add 12 to the player's Handicap Index at the start date. This value is A. Add 12 to the player's Handicap Index at the end date. This value is B.

Divide value A by value B, calculating to three decimal places. This is the improvement factor. The player with the highest improvement factor should receive the most improved player award.

Example:

Starting Handicap Index: 24.3 | Ending Handicap Index: 16.2

Value A: 24.3 + 12 = 36.3 | Value B: 16.2 + 12 = 28.2

A / B: 36.3 / 28.2 = 1.128

Improvement factor: 1.128

## **Penalty-free scenarios of bunker play:**

- **Removing loose impediments (pinecones/leaves).**
- **Placing a golf club within the bunker - if you're between clubs and you drop one that you're not using.**
- **Hitting the sand in irritation – you might look foolish but doesn't come with a penalty.**
- **Leaning on a club in a bunker.**
- **Digging your feet into the sand when preparing to hit a shot.**

### **Statistics to make you think:**

- **Almost 80% of golfers will never have a handicap under 18.**
- **Odds of an average golfer making a hole-in-one is 1 in 12,500.**
- **Odds of an average golfer making two aces in a single round is 1 in 67 million.**
- **Odds of winning the Powerball lottery is 1 in 292 million.**
