Promote Honesty and Integrity in the game of golf.
Promote the enjoyment of, and participation in, the game of golf for all members. Arrange games and tournaments that are fun, fair and inclusive. Provide financial disclosure and administer the Club's assets in a professional and business like manner.
Promote sportsmanship and care for the golf course.

President's Message *by* Vern Kelch

So long October, hello November. The year is winding down. The October reseed is in progress and hopefully going well. We all missed a lot of golf time with our friends. The course is going to be different when we return to play. With #12 being changed to #1. There won't be any more backups on #17. Now it will be a backup on #6. "OH WELL". It's gonna take some getting used to the new hole numbers but sometimes change is good. Hopefully the new cart path and tee box on #2 will be completed. TWG started that project by removing all the river rocks and part of the block wall so the contractors could start work. Larry Mensch, the new Director of the TWG, has many plans for work around the course to keep everything looking great. Monster Day was a lot of fun and frustrating. Thanks to Pat for setting up and running a great event. Coming up November 16th and 17th is our Member Member tournament. Jesse Beecher, your tournament director is working on another great outing for all of us. As he gets things set up, don't forget the dates and get yourself and your partner signed up for a fun event. Remember if you purchased a Stag Day ticket, your entry fee will be \$40 less. Jesse will come up with some nice Swag for everyone.

Well, I have 2 more meetings and 2 more months left on my term as President. It's been a pleasure and an experience. I just hope I'm not impeached before the end of the year. Great golfing and good times with your fellow golfers and friends. I wish everyone a Happy Thanksgiving.

ATTENTION:
**Please repair more
than one ball mark
anytime you're on the
green.**

**President's
Message**
By
Kathy Homewood

Why not...I just had to share Shaquille, the monkey I fell in love with, in Brazil!

Let me begin by saying, as we approach an important date, please remember to vote on or before November 5th. Your participation is crucial!!

We recently held our Appreciation Luncheon, catered by LaLa Tacos at Road Runner Park, where we welcomed 33 amazing "nacho normal volunteers". Repeatedly, these dedicated ladies have given their personal time to support our community. While 11 of them were unable to attend, their contributions are greatly valued. A big thank you to LaLa Tacos for serving an incredible taco lunch – it was a hit! A bigger thank you to all our volunteers who went above & beyond. I appreciate you all!

Additionally, our Helping Hands Food Drive is set for November 5th and 12th. We encourage you to show your support in feeding those in need. The flyer will be attached to the bulletin, which will include a "food needed list". Thank you, Barbara Spraul, for spearheading and for your leadership and for all that you do to support our community.

Please join us in our 2-day "Couples Eclectic" Tournament, scheduled for November 12th & 19th. This is a partner tournament – day one is partner's best ball, day two is the turkey shoot. If you are interested in playing, please contact Darlene Cortez at dardar133@verizon.net or 909-263-6435; or Barbara Spraul at dbspraul@yahoo.com or 951-522-0414 (cell) or 951-244-6540 (home). If you need a partner, they will help you find one!

Report Execution Date/Time: 10/26/2024 1:31:59 PM

Instructions for determining the Most Improved Golfer

Add 12 to the player's Handicap Index at the start date. This value is A. Add 12 to the player's Handicap Index at the end date. This value is B.

Divide value A by value B, calculating to three decimal places. This is the improvement factor. The player with the highest improvement factor should receive the most improved player award.

Example:

Starting Handicap Index: 24.3 | Ending Handicap Index: 16.2

Value A: $24.3 + 12 = 36.3$ | Value B: $16.2 + 12 = 28.2$

A / B: $36.3 / 28.2 = 1.128$

Improvement factor: 1.128
